NOW, WE ENTER A SIGNIFICANTLY IMPORTANT PHASE

A Markaz is built with materials, construction and financial resources. But what makes it a Markaz is the community behind it.

Our contribution today becomes part of a place where future generations will:

- Offer Namaaz
- Gain illm
- Participate in Miqaat
- Gather as families
- Create memories
- Learn and Grow together

We have reached a very significant milestone in the Raleigh Markaz Project. Years from now, our children may walk through the doors of Markaz without knowing every person who helped build it, **but our contribution will be part of their future.**

As we move forward toward completion, there are still important financial commitments and project-related expenses that need to be addressed. This is where **every contribution by all of us can make a difference.**

If you have already made a commitment to the Markaz:

NOW IS THE TIME TO COMPLETE IT.

If you have already fulfilled your commitment:

PLEASE CONSIDER GOING ONE STEP FURTHER.

And if you have not yet had the opportunity to participate:

THIS IS YOUR MOMENT TO BECOME PART OF THIS HISTORIC JOURNEY.

LET US COMPLETE THIS JOURNEY TOGETHER.
FROM VISION → TO REALITY → TO A LEGACY

TOGETHER, CLOSER TO OUR MARKAZ

As we continue progressing toward completion of the Raleigh Markaz Project, preparations are advancing across multiple fronts, with construction, interiors, operations, and community planning moving forward in parallel. **More updates on these efforts will continue to be shared in our ongoing newsletters.**
